

**The Compassionate Friends
Memory Garden @ Mark's Park**

The Memory Garden @ Mark's Park is a perennial flower garden nurtured, maintained and supported by community volunteers and the Compassionate Friends of Oscoda Area. The Memory Garden is intended to be a place to enjoy nature and revisit positive memories of our children, grandchildren and siblings who died too soon.

In addition to the garden, we have a memory brick area.

Individual bricks may be purchased, engraved with the name of your child, grandchild, or sibling and placed in the designated area of the park. Proceeds from this project will be used to support TCF activities as well as to maintain and expand the Memory Garden @ Mark's Park.

We can only allow one brick per child, grandchild or sibling that has died in order to keep the area open for future bricks.

To order a Memory Brick, please mark which size brick, complete the form and return it to.....
